First National Bank of Anson customers may choose to have their chamber membership drafted from their checking account monthly by authorizing below:

I, _____, authorize the Anson Chamber of Commerce to draft my account for the amount of **\$7.50** monthly.

Acct#: _____ Routing#: _____

Signature: _____ Date: _____

Benefits:

- A scheduled, one-time, 2 hour use of the Chamber office where you can invite family, friends, and the community to a reception (at your own expense), where you can meet and greet with the public and show the products you have to offer. We will do a ribbon cutting at the event and post it on our Facebook.
- We will advertise your business that week on our scrolling sign and one other time during the year. (This excludes the weeks corresponding with the Chambers community events)
- We will allow you to leave limited, professionally designed advertising materials in the Chamber office (booklets, by-folds, business cards). We will not hang information on the walls or windows.
- You will be entitled to a \$5.00 discount when registering for the Blooming Cactus Mercantile craft shows (if you meet the requirements to participate in the shows).

It is the Chamber's goal to work with you to help you establish your business presence in the Anson business community.

We look forward to working with you!
